Marilyn Murphy

Dear fellow members,

I am honoured and proud to accept the duties of President of Wey Valley, for the 2018-2019 season as it is an excellent and well respected club. Thank you.

We are lucky to have a smooth running club and this is thanks to our officers and committee members, but we always need more help. Are you able to help in any way? Also important is to maintain and increase our membership. If you know of anybody - friend, relative or neighbour please invite them to come and try indoor bowls at Wey Valley.

Please support the friendly matches and your hard working Captains of the day by being available and putting your names down early on the lists. If you are new to friendly matches, make yourself known to the Captain of the day. If you are unsure who this is then please ask somebody. They are great fun and yes "you will be good enough"!

On the competitive side, we have an abundance of talented bowlers who have entered National and County competitions. Good luck to all of you in the 2018 – 2019 season. I am confident that the club will again feature strongly in the final stages of these competitions.

Wey Valley has also entered club team competitions: Denny, Yetton and Top Club, as well as many other team competitions. I am sure that the teams would appreciate your support when they play these matches so please come along and cheer them on. We also have the club competitions which all playing members are eligible to enter – give them a try – nothing ventured nothing gained!

Lastly, I would like to wish you all good health and enjoyable bowls.

Marilyn Murphy

John P Green

Dear fellow bowlers,

I would like to thank Wey Valley for their nomination to begin the chain of office that has enabled me to become the Surrey President for this current season 2018-2019.

For me, this is a great personal honour and a privilege to be able to serve the Surrey County Bowling Association and also help enhance the reputation of Wey Valley Bowls Club.

We are very lucky to have such dedicated officers and a committee that work hard in the smooth running of our club. Without their timeless and unsung efforts we would not be the club we are today.

Surrey County Indoors Bowls Association have a varied programme this season and they will be visiting Wey Valley on a number of occasions in county and other games so please come along and give your much appreciated support.

I look forward to following the games that Wey Valley teams and bowlers participate in and meeting you in the latter stages of the National and County Competitions.

I wish you all a happy, healthy and successful season with great bowling.

I will see you on the green.

John P Green

Proud member of Wey Valley IBC

USEFUL INFORMATION**Rolls-up/practice**

Members may call, or visit the club and book a rink for a 2 hour session, or pay for one hour

when there is free space. Please be advised that a competition would take preference over a roll up session, but those who wish to take the rink must contact the person who has booked said rink.

You cannot cancel a coaching session, unless the club coach agrees to rearrange his coaching sessions.

Competitions

Bowls offers a wide range of competitive bowls from club competitions right through to competing for national titles. Anyone is welcome to enter these competitions and information is available at the club for how to do this.

Players wishing to book rinks for competitions can provisionally book a rink in the book and then add it to the rink bookings once the competition date and time has been confirmed.

The rink booking must be signed by a club director, or the club steward. For national and county competitions players may move a league game to accommodate the rink of preference. If a player needs to cancel a league game they must contact the club league secretary and the team captains involved. 72-hour notice is required for a league game cancellation.

Club Matches

Members can find team sheets for all matches on the main board adjacent to the bar outside the café area. Any member can put their name down for selection for friendly matches and club league matches, like the Surrey League. Most games are mixed, but please be advised there are some men and ladies only fixtures. If you have any queries please contact a club captain, or a club director.

Club fixtures and team selections are accessible on the club board and via our website.

How do I join a league?

This is generally by invitation from the Team Captain who can register whoever he/she wishes with the League Secretary. However you can contact the League Secretary Marilyn Murphy or club secretary Alan Tingay, stating when you are available and what leagues you are interested in joining and we can contact the team captains who may be looking for more players.

Of course if you want to create a league team, this is free of charge, you just need to find players and enter a team. This is typically done before the season starts, but contact Marilyn Murphy or Alan Tingay and they would be happy to support any new league teams get started.

What is the Dress Code?

Players must wear the correct bowls related footwear on the green, this help to protect the carpet. Flat no grip bowls shoes to be worn at all times.

For rolls ups – a relaxed dress code applies, but the correct bowls footwear must be used.

For club matches white below the waist and official Wey Valley club shirts – these can be obtained from the club steward, or Alan Tingay.

For league games and competitions – grey below the waist and a white shirt, county shirt, international shirts, club shirt, or a registered bowls manufacturer shirts Henselite/Aero/Taylor/Drakes Pride etc.).

Coaching

We have several fully qualified coaches and players of vast experience to offer coaching and advice.

If you wish to receive some coaching please contact our club coach Norman Crawley and arrange a time to have a coaching session.
