Roll –ups

1 hour = £1.25 per person

2 hours = £2.50 per person

League game = £2.50 per person

Friendly/Club League Game = £10 per person (includes match meal)

Team National or county competition = £5 per person

National or county singles = £3 per person

Club Competition = £2.50 per person

Useful information

Rolls-up/practice

Members may call, or visit the club and book a rink for a 2 hour session, or pay for one hour when there is free space. Please be advised that a competition would take preference over a roll up session, but those who wish to take the rink must contact the person who has booked said rink.

You cannot cancel a coaching session, unless the club coach agrees to rearrange his coaching sessions.

Club Matches

Members can find team sheets for all matches on the main board adjacent to the bar outside the café area. Any member can put their name down for selection for friendly matches and club league matches, like the Surrey League. Most games are mixed, but please be advised there are some men and ladies only fixtures. If you have any queries please contact a club captain, or a club director.

Club fixtures and team selections are accessible on the club board and via our website.

What is the Dress Code?

Players must wear the correct bowls related footwear on the green, this helps to protect the carpet. Flat no grip bowls shoes to be worn at all times.

For rolls ups – a relaxed dress code applies, but the correct bowls footwear must be used.

For club matches white below the waist and official Wey Valley club shirts – these can be obtained from the club steward, or Alan Tingay. The club is gradually introducing a new club shirt over the next 2 years, currently the new shirt will mainly be for national competitions.

For league games and competitions – grey below the waist and a white shirt, county shirt, international shirts, club shirt, or a registered bowls manufacturer shirts (Henselite/Aero/Taylor/Drakes Pride etc.).

BIAS

We are excited to share that the club now have an online management system, which all members can create a login for.

BIAS holds all of the internal leagues, captains details so members can see their league tables and also teams they may wish to apply to join.

BIAS also shows our fixtures with other clubs.

Our eventual plan is for BIAS to provide an option for members to apply for matches, potential book rinks and more in the future.

At this stage, we need your help to create a log in, get familiar with the site and ensure your details are up to date, as we will be using this as our main directory.

Login site: ourbias.co.uk

BIAS stores and processes data as an agent of your club in accordance with your clubs data protection policy. BIAS does not use your data for any other purpose. Information is kept securely. Backups are kept for one year for the sole purpose of disaster recovery.
